

Moustapha Abou-Samra, MD, FACS

Sixty-Seventh President 2014-15

Neurosurgical Society of America

“As a resident neurosurgeon he was incredibly industrious, perceptive, compassionate, skilled in neurosurgical patient assessment, and he developed impeccable surgical judgement....”

“My pride in Dr Abou-Samra continues as he has made wonderful civic and professional contributions to his local community, to the state of California, and to national neurosurgery....”
